*Loving, Serving, and Accepting All People  
With God's Life-Changing Power*

*...A Continuing Confirmation...*

Below are some thoughts I shared with some parents concerning our BUCC Confirmation Program:

"I agree with you that middle teen years are a good time for the Confirmation/Affirmation of a person's faith. An even better time would be in their later teens. I myself was Confirmed in

the Lutheran Church after three-years of classes from grades 7 through 9.... Interestingly, even though I had intellectually affirmed my faith in Jesus Christ - and really meant it - it wasn't until in college that I truly opened my heart to the fullness of Christ's Presence and Grace.

In the forty years since then, there have been a couple of other significant times when I have affirmed my faith, and the Holy Spirit has confirmed God's Presence in my life.

I'm not sure when BUCC's Confirmation of Faith program became a one-year class for seventh graders, but I do understand why. This is an appropriate age to "begin the process" of thinking about God, Jesus, Life, Faith and the Church. My approach, is to encourage each student to understand that his or her relationship with God, Jesus, and the Church is truly important, and will remain so, throughout their entire lives....Our youth can certainly take part in our Confirmation program whenever they and their parents feel it's best... Meanwhile, I invite them all to get involved with our Youth Ministry - one of the many important parts of an individual's life-long journey of faith."

How fortunate our children are to have parents who show as deep a commitment to their children's Spiritual education, as they do to their secular learning! With increasingly busy schedules, it takes conscientious planning and dedication to find time for our Faith-development. With that in mind, I encourage all BUCC members and friends (ages 12 to 102) to take part in our annual Retreat at the Hinckley Reservation on Saturday October 11<sup>th</sup>. Our theme is "Believe It or Not: Creating Our Own Creed." Regardless of what age or stage in Life, taking time to explore and affirm one's Faith is an important and revitalizing process. And spending a day together in a relaxing and beautiful setting presents a wonderful opportunity to connect more deeply to our Faith, and to those beautiful people we see every Sunday.

I hope you will all make a special effort to join us. It could turn-out to be just the right time for a renewed Confirmation of your Divine Connection!

With you on the journey,  
Pastor Dave

If you would like to have a pastoral visit in your home, or simply need to talk, please call Pastor Dave at the church office (440-526-4364) or at home (440-546-1193). He will be glad to meet with you.

A Brief Introduction to  
the Shamanic Journey

at

Brecksville United Church of Christ

TUESDAY, OCTOBER 7

6:30 – 8:00 PM

with

Michelle Gilbert & Neal Szpatura

Shamanism has been called the first spiritual practice of humanity. The Shamanic Journey is a powerful meditative state. It takes us into a very special level of consciousness that helps us work more deeply with intuitive and spiritual guidance. Prolonged hypnotic drumming is used to promote relaxation and the experience of a trance-like visionary awareness. Through journeying, we may open the door to an awareness of other realms that are the sources of the energy, creativity, passion, and love that power the everyday world we know.

Michelle Gilbert is a Reiki Master, Shamanic coach, and certified aromatherapist. She holds multiple certificates in aromatherapy, Shamanism, Reiki, life transition coaching, yoga, and more. Using

her eclectic background, Michelle empowers clients to deepen their spiritual wisdom, let go of what's holding them back in life, heal their relationships with themselves, and discover true well-being.

Neal Szpatura is a shamanic practitioner, writer, Tarot reader and intuitive consultant. He has studied with the Foundation for Shamanic Studies and in independent study with its faculty, as well as with indigenous teachers from North and South America, Africa, and Australia. He teaches shamanic practice, dreamwork and intuitive development and works with clients on sacred path issues.

Dress comfortably in loose clothing and for the weather. Bring mats, wraps, eyeshades, etc. and be prepared to work on the floor (if you wish).

If you have questions or would like to sign up, please see Kate Klonowski during coffee hour or by email: [keightykay@gmail.com](mailto:keightykay@gmail.com) or phone/text: 216-534-3498. Space is limited.

constitution? Or what goes on behind the scene, such as how do the flowers get up behind the altar, or how do the communion elements arrive at the altar on communion Sundays? For all of the above information (and possibly more), join Leadership Development members in Pilgrim Hall on Sunday, October 26 after worship. Plans are to do the same on Sunday, November 2<sup>nd</sup>,

and on Sunday, November 9<sup>th</sup>. Members of the various ministries will be on hand to answer questions.

### **STEWARSHIP**

#### **GOD'S BLESSINGS**

**By Jim Kaul**

I am no longer on the Stewardship Committee, which consists of five Members along with Pastor Dave, but I am still involved with the committee.

In the beginning, God created the Heavens and the Earth. As the Creator, God has the absolute ownership over all things. The Biblical Doctrine of Stewardship identifies God as owner and man as managers, and God's Co-Workers. Stewardship is the

responsibility of us taking care of all the things God has created including all of God's creatures and all of God's people that inhabit this Earth.

A Stewardship theme this year is "Blessed to be a Blessing". God is able to provide us with every Blessing in abundance, so

that we always have enough of everything.

If you were made Light Bearers, you will not be hidden but will be put on a light stand that you may shine brightly! Be generous, and you will be opening up to God, and according to Saint Paul, you will receive God's Grace. Corinthians 2 9:7 states "each man should give what is in the heart that he has decided to give, not reluctantly or under compulsion, for God loves cheerful givers".

This Church building, and we the people who come here to Worship, make up our community of Faith. Our donations of money, time, and talent, help our Church, the Community, and even some parts of the world. You, the Congregation, have always been faithful to the commitment of our Church. This building has to be maintained for all of us to use. The Community also needs our support, and we are all blessed to be able to make our donations mean something. Every gift, no matter how large or small, is very important.

The Dedication Sunday this year is November 16. An appreciation dinner will be held this day and we will ask for your Pledge Cards at this time. Betty and I will be in Texas, but will be one of the first ones to sign up for next year's pledge. We thank you, and wish that all of God's Blessings will be upon you.

### PERSONAL STEWARDSHIP

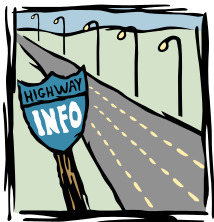

Each year in the fall we think about our personal stewardship of time and talent, and how and where we would like to participate in the activities of BUCC in the coming year. This year is not different. The table on the narthex holds mission statements and the makeup of BUCC ministries to help in making the decision. Also the information sessions mentioned in this issue of the Pillar can help. Or any ministry member can answer requests for further information.

## MUSIC

On Sunday October 19 at 4:00 p.m., BUCC will host the Case Concert Choir, comprised of students from Case Western Reserve University and the Cleveland Institute of Music. Under the direction of Dr. Matthew Garrett, the fifty-member ensemble will present a program titled "A Life in Music", which follows our life journey

through its many stages from birth through adulthood. The eclectic program includes works by a diverse group of composers, along with two songs from Africa. A free-will offering will be received, and a light meal will

be served following the concert. We hope you can join us for this unique choral presentation.

**Seasonal Choir:** It's almost time to start rehearsing for our annual Christmas cantata, scheduled for December 14 at Sunday morning worship. Weekly practices begin Thursday night, October 9 from 7-8 p.m. Seasonal choir provides a wonderful opportunity for music and fellowship as we prepare to commemorate the miracle of the Incarnation. If you enjoy singing in a choral setting but don't have time to commit to regular choir, consider giving seasonal choir a try. Feel free to attend a practice or two if you're interested but hesitant to commit. Adults and high school students are welcome to participate.

On Sunday October 19 at 4:00 p.m., Brecksville UCC will host the Case Concert Choir, comprised of students from Case Western

Reserve University and the Cleveland Institute of Music. Under the direction of Dr. Matthew Garrett, the fifty-member ensemble will present a program titled "A Life in Music." The program follows our life journey from birth through adulthood, and features works by several contemporary composers, as well as two traditional songs from Africa. A free-will offering

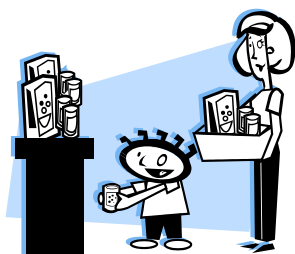

will be received, and a light meal will be served following the concert. We hope you will join us for this unique choral presentation. Bring a friend!

## NEIGHBORS IN NEED

Wouldn't it be nice to have a world without hunger, poverty, violence, discrimination, ignorance, and oppression? One way we can help overcome these things around the world is by participation in the UCC Neighbors In Need offering which will be

received on October 19<sup>th</sup>. Our support of the NIN offering will help provide education grants to address literacy issues for girls worldwide, will fund programs to address systemic injustices, and will help support ministries of justice initiatives, advocacy efforts, and direct service projects. In the

next few weeks the Sunday bulletins will provide further information on this effort to support a variety of education programs, justice initiatives, advocacy efforts, and projects of direct service support in the U.S. and the world.

**SAVE THE DATES!  
NORTH COAST MEN'S CHORUS**

Organized in 1988, the North Coast Men's Chorus is entering its

27th season. This will be my 13th season. I have been so grateful for the support the Chorus has received over the years from my friends at BUCC. But there are many more songs to be sung, and lots more fun to be had!

This season will begin with our holiday concert which again will be in the beautiful Hanna Theatre at Playhouse

Square. "Baby It's Cold Outside" will take place on December 6th and 7th - three performances. You might want to get your tickets soon because this concert tends to sell out! You can order them on the Playhouse Square website, or I can get them for you which will help you avoid surcharges.

Our spring concert is titled "Deliciously Wicked: The Music of Stephen Schwartz." Schwartz' blowout hit has been the musical "Wicked", but he's also famous for "Godspell" and "Pippin." Should be a great show!

This concert will be held at Notre Dame College's Regina Auditorium in South Euclid in two performances on April 11th and 12th.

Our June concert is "Welcome to the 60s!" What a wealth of FUN material! We'll be back at our traditional performance home, Cleveland State's Waetjen Auditorium on June 20th and 21st.

Season tickets are available. Lots of information about the group and our season can be found at [www.NCMChorus.org](http://www.NCMChorus.org).

## **"Who Makes Your Life More Lively?"**

**Matt Fitzgerald**

*"You are the salt of the earth." - Matthew 5:13*

Over the years I have made this same mistake at least three times. It happens while I'm on vacation, confused in an unfamiliar grocery store. I grab a bag of chips and tear into them the moment I'm outside only to realize I bought the salt-free version. If chips have lost their taste they are no longer good for anything. They aren't repulsive, they're just ... nothing. Where's a garbage can?

My sister is a chef. She tells me that salt doesn't have flavor. Instead, it elicits and enhances the essence of whatever food is salted. Oregano changes the flavor of a tomato. But salt makes a tomato taste more like itself. She once gave me her guild's secret to excellent food, wisdom handed down from one master to another through the ages: add more salt.

Jesus tells Christians that we are to be "the salt of the earth." I can't think of a Jesus dictum that has taken an odder turn in daily use. Sophisticates use it to describe and patronize small-town people. "You know Wally Smith. He runs a small engine repair shop down the road from our summer house. Always wears overalls. Salt of the earth."

I don't think that's what Jesus meant. He was calling us to elicit and enhance the essence of life. Who is the salt of the earth? Well, who makes your life more lively? Who makes you laugh more loudly, think more intently, love more boldly? Who was the last person who convinced you to jump into a lake on an overcast fall day and whooped with you as the cold, cold water made every fiber of your being sing?

### **Prayer**

Dear God, I thank you for that person. They may not know it, but they're doing just what Jesus wants. Amen.
