Pastor's Ponderings

...on the Real Savior of Christmas...

"We're getting near that beautiful Christmas season that people don't talk about anymore. You go to department stores and they'll say 'Happy New Year, but they don't use the word Christmas because it's not politically correct....Well, guess what? We're saying 'Merry Christmas' again." - Donald Trump at the *Values Voter Summit*, Oct.13, 2017.

Three weeks before the spooky Halloween stuff was off the shelves, our nation's president took time from his busy schedule to scare-up the latest episode of the "The War on Christmas". Strangely enough, this so-call 'war' isn't about combating the crass commercialism that surrounds the celebration of Jesus' birth. Retailers really don't care what you or I do on December 25th, as long as we spend big bucks between Halloween and Christmas Eve. And whether you or I get a "Merry Christmas" at Macy's or a "Happy Holiday" at Home Depot, makes absolutely no difference in how you or I or any other Christian chooses to commemorate Christ's birth.

If we're really concerned about "Saving Christmas" we should contemplate and copy the life and teachings of Christ the Savior. The One whose birth announcement proclaims "peace on earth, goodwill to all."

The One whose humble beginnings and simple lifestyle challenge the rampant materialism and selfish amassing of money that is becoming increasingly popular today.

The One who values compassionate relationships above religious rhetoric.

The One who willingly sets-aside his power and gives-up his life in order to stand with the poor and powerless.

The One whose life is restored through the power of Divine Love, and continues to reside in and through you and me.

So perhaps rather than insisting that those around us wish us a "Merry Christmas", you and I can focus on sharing the Light and Love of Christ with everyone we meet. After all, that's what Christmas is really all about! Peace & Joy! Pastor Dave

If you would like to have a pastoral visit in your home, or simply need to talk, please call Pastor Dave at the church office [440-526-4364] or at home [440-546-1193]. He will be glad to meet with you.

LET'S GO CHRISTMAS CAROLING!

On Sunday, December 17th at 2:00 pm, our youth, children, and adults will meet at the church to go caroling to our homebound members. This is a great opportunity to sing some of our favorite Christmas carols while bringing a special Christmas greeting to those members who cannot regularly join us for worship. We will return to the church around 4:00 to warm ourselves with some hot chocolate and other goodies!

SAVE THE DATE

The BUCC annual bowling outing will take place on Sunday January 21, 2018 at Northwoods Lanes in Macedonia at 2 pm. The cost is \$5 for 2 games including shoe rental, snacks and prizes. Any questions contact David Pastor.

NEWS FROM OCWM

At the Christmas Eve service, the Christmas Fund (formerly known as Veterans of the Cross) will be received. This offering helps meet the needs of retired and low-income clergy and lay employees of the UCC. The fund works throughout the year, not just during the Christmas season. Dollars given to the Christmas Fund go directly to those who have served or who presently serve the church, especially in moments of critical need. ►

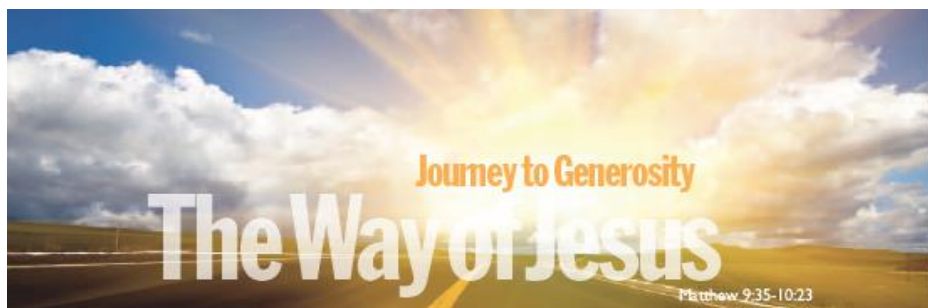

Also included are health premium supplementation and prescription medication coverage. Please be generous, as these funds are critical for a sustainable quality of life for these “veterans of the cross”.

The next hunger meal will be served on January 7, 2018 at Bethany UCC. The menu has not been determined. The sign-up board will appear in the narthex, for those persons interested in helping to indicate their choice of shift to help. The first shift will be from 2:30 PM to 4:00 PM, and the second shift will be from 4:00 PM to 6:00 PM. Also some cookie bakers would be appreciated.

Lastly, a huge “thank you” goes to those BUCC members and friends who have donated food and other items to be delivered to the hunger centers. The value goes beyond the items themselves. This is another example of BUCC members and friends taking to heart the words of Jesus in Matthew 25:35... (“for I was hungry and you gave me food...”).

STEWARDSHIP

The ABCs of BUCC Stewardship

By Diane Gressley

Good morning, I have been a lifelong member of the United Church of Christ and spent many Sundays of my life in one church or another. But for the last 12 years, BUCC has been my home church. As I was growing up in Eastern Pennsylvania, in the middle of a Pennsylvania Dutch community, the expectations for education and learning were not nearly as highlighted as our ability to work the land and be experts in farming, animals, and agriculture. ►

But looking back on all my schooling and how I came to Jesus and God, I probably learned everything I needed to know in my Sunday School Kindergarten class. So let's take a stroll back to those days when I first learned my ABC's and perhaps update of my learning to align with some stewardship insights here at Brecksville United Church of Christ.

A - Awesome

B - Brecksville, where for us, it all begins

C - Church, is a building and also a group of people, both of which need some updates and lots of TLC

D – David, and yes God had King David, but we have lots of Davids, although I don't really think any of them are kings or wrote psalms, but nonetheless, they are all very important to us

E – Excitement for all the wonderful things we accomplish here at BUCC

F – Family, this is our home away from home family

G – God; **his** presence and **her** love lifts us up

H – Holy Spirit and the healing powers

I – Individuals; we are all awesome individuals but remember that “**I**” is an important letter in **UNITED**

J – Jesus; the ultimate steward, friend, and brother

K – Knowledge

L – Love is in the middle of the alphabet just like our love for each other is in the middle of this congregation

M – Mission – whether hunger meals or contributions to recent or distant disasters we really do respond quite well

N – No wrong way; or what I fondly call the “Chandler chant”

O – Open and Affirming for those that have it; it is an empowering foundation, but for those that do NOT “get it”, I do believe it is a sad day in heaven.

P – Pass the peace

Q – Quality – time spent here at BUCC is always quite meaningful

R – Rejoice; for our music and celebration that at BUCC we do exceptionally well

S – Stewardship caring for earth and church and each other

T – Truth; we come inside searching for the truth as we know it is often a difficult thing to find outside these doors.

U – United Church of Christ, don't forget the “United” as not to be confused with the Church of Christ ►

V – Voices raised in praise!

W – Welcome

X- Xtravagant; ok, yes, I realize that does not begin with “x”, but it really did pass my spell checker so I know it is totally welcome in my ABC’s.

Y – Yes, you, yes, you are valued!

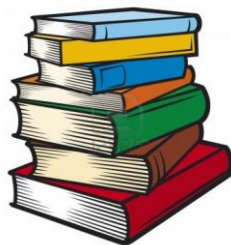

Z- Zealous in our passion for this church and each other

So now that you learned my ABC’s, let’s move onto 123, and yes, carefully consider what this church does mean to you. So whether the monetary 123’s that you contribute be large or small, know that it is all appreciated. Thank you.

DID YOU KNOW?

BUCC TRIVIA

Did you know that our church bell was recovered from the basement where it had fallen during the tragic 1965 fire that destroyed our sanctuary? In the old church it had been rung before worship by the deacons using a rope in the narthex. It is now rung electrically by the organist. This bell and the one in the Methodist church were tuned to each other so that when they were rung at the same time before worships on Sunday morning, the sounds would be pleasant.

Did you know that the Brecksville Congregational Church (our former name) sold a small piece of land at the northwest corner of its property to the Coates general store for their expansion which included the first Packard hardware store? When the Coates store was eliminated when the westbound Route 82 was changed in 1937 to follow along a widened Highland Drive instead of Stadium drive, we reacquired the exact same piece. By then it was 7 feet wider, reflecting a correction for a surveying error made in the original deed.

Did you know that our church property is the consolidation of eight separate piece of land acquired over many years?

- * the original purchase (1844 - 8 x 10 rods, \$150.00),
- * an addition on the east side of the original purchase to give more space (1844 - 1 x 10 rods, \$ 25.00),
- * the reacquisition (1962) of a small piece at our Rte. 82 drive that had been sold earlier to Coates general store,
- * two parcels with houses immediately behind our church - Barton (1968) and Dixon (1994),
- * two parcels with houses on Arlington Street (Tesmer- 1959 and Elsworth - 1989)
- * and a small triangle acquired from True North Shell (2002) to allow widening of our entrance drive from Arlington Street.

Did you know that our church organ is the result of many years of the giving of time and materials by the Ellenberger family? Ernest Ellenberger was a successful business man and long time member of our church with a strong interest in organ, choral and classical music. He helped establish an organ building business with his son, Bill. They have gradually added new components and Bill still helps keep the

organ in repair and operation. The core of our organ was recovered, mostly undamaged, from the ruins of the church after the 1965 fire. It has been extensively upgraded and expanded since then.

Did you know that at one time a large gully ran immediately behind our church building, draining land all the way up Highland Drive to beyond Elm Street? Over time, it was tiled, covered and mostly abandoned. The main remnant of this drainage system is an existing 30 inch drain from in front of East of Chicago Pizza. This drains much of the Center and runs diagonally under Brecksville Road to discharge behind the shopping center. The original gully and its contributories have given BUCC water problems in our parking lot and elevator shaft, requiring added drainage and a pumping system.

Did you know that BUCC does not own all of the land under its parking lot? The City of Brecksville owns a 50x250 piece adjacent to the school. This is the subject to a long term three-way agreement between our church, the city and the school that gives BUCC use of the City land during non-school hours and the school, plus another equally sized BUCC area, during school hours. This agreement is not part of our rental arrangement with the Central School and will continue in effect after they vacate our education wing.

Did you know that the original church building was built without a basement? When a basement was added in the early 1900's to provide Sunday school space, it was necessary to install an extensive series of pipe-pillars to support all of the existing load points. These provided places for hanging curtains to make classrooms but also a maze of obstacles used by the students as a play area. It is said that our newsletter's name is a remnant of these pillars of our old church building.
